

## **BGHA Current Facility Guidelines – 01-Sep-2021**

### **City of Brantford:**

- A maximum of 50 people allowed on the ice
- Everyone entering must complete Covid screening and be on the tracking sheet
- Can enter the facility 15mins prior to the start of the ice time, and leave within 15mins of the ice time finishing
- Spectators can attend max 175/rink at the Wayne Gretzky Centre, physical distanced from others, no set area for spectators
- Dressing rooms open, limited capacity
- Masks worn unless eating, drinking or on the ice

### **County of Brant (BSC):**

- A maximum of 20 people will per allowed per rental hour
- Everyone must enter their contact tracing information by scanning the QR code at the entrance or signing in
- Participants may enter 15 minutes prior to their rental and must vacate within 15 minutes at the end of the rental
- Spectators are able to attend, but must remain physically distanced from others and wear masks at all times except when drinking or eating.
- Participants are able to remove masks during sports activities
- Dressing rooms will be open, but with limited capacity
- Vending machines will be available, but concessions will remain closed

Please be respectful and discard of all personal garbage properly. Follow the PHU, OWHA, BGHA, facility guidelines at all times. Do not attend if you are sick, we want to keep everyone on the ice safely.

All players and spectators must complete a verbal screening or screening on the RAMP app (set up by your team) prior to entering any of the facilities as per OWHA and BGHA.

All players and spectators must also make sure they are listed on the tracking sheet that will be completed by the team manager or covid rep so we have that available should we need it.
