

Facility Rules (Oct 29 2021)

City of Brantford Facilities:

- No set time limit to enter or exit the facility but teams should enter together (set a meeting time) so that they can by-pass the sign in/proof of vaccination table with the coach/manager handing in an attendance sheet
- Masks must be worn unless on the ice or eating/drinking
- Dressing rooms open- no capacity
- Dressing room keys available
- Showers open
- 175 spectators per rink
- 50 allowed on the ice
- Brantford teams- MUST screen using the RAMP team app always (home or away) for BGHA records
- each team must hand in a player/staff list (with a contact number for each) to the door staff upon entry, and complete your own screening. Anyone entering without their team will be treated as a spectator and need to show proof of vaccination/sign in etc.
- each spectator must sign in with the arena staff when entering the building (players and staff do not need to as you will hand in a list with players and staff on it)

County of Brant Facilities:

- Enter arena 1 hour before and exit dressing room within 30 minutes
- Masks must be worn unless on the ice or eating/drinking
- Dressing rooms are 100% capacity
- Dressing room keys available
- Showers open
- capacity restrictions for facility and spectator areas have been removed
- 45 allowed on the ice
- Brantford teams- MUST screen using the RAMP team app always (home or away) for BGHA records
- MUST use the QR sign in and show the green check mark to staff while entering

Facilities will require spectators 12+ and players 18+ to show proof of being fully vaccinated upon entry, unless a spectator or player falls under one of the exception rules.

Please be respectful and discard of all personal garbage properly. Follow the PHU, OWHA, BGHA, facility guidelines at all times. Do not attend if you are sick, we want to keep everyone on the ice safely.

All players and spectators must complete a verbal screening or screening on the RAMP app (set up by your team) prior to entering any of the facilities as per OWHA and BGHA.
